

Limited Time Only

Expires 02/29/2024

Winter Time is the Best Time of Year to get a Fence Installed.

1. Wood Fence **Material performs better** when the weather is cooler.
2. The overall fence install often **cost less**.
3. **Skip the line**, shorter wait time for fence installs.
4. **Better**, more responsive **Customer Service**.
5. Better for your property and grass.

**Price Match Conditions**

**Price Match + \$100 Amazon Gift Card**

**Conditions:**  
K & C will not sacrifice quality for price, knowing that lower quality material and workmanship is available, K & C holds the right to refuse the use of this coupon if the price is ridiculously low. We will need a copy of the contract given by the other company and if we are un-familiar with the company we may ask for TN state contractor license and insurance to ensure they are doing work legally in the state of TN. This match is only good for local companies (no out of state companies).
